

On September 21, 2021, Lani MacRae (Department of Energy) and Rexann Dunn (National Renewable Energy Laboratory) will be presenting a webinar titled, "Want to Access the Billions of Dollars within the Department of Energy? Here's How!" In this joint presentation, Lani MacRae and Rexann Dunn will share the breadth and scope of the DOE and highlight one of the most interesting labs of the Department. The DOE's National Laboratories are called America's Treasures. They also hold great promise for small businesses – billions of dollars worth! You will learn where to look for the DOE opportunities and how to access the different parts of the Department for best results when searching for opportunities.

As a client of ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
