

On May 19, 2021, John Mattox (Schoonover & Moriarity LLC) will be presenting a webinar titled, "Financial Freedom Comes at a Price! It's Your Wrap Rate." Contractors performing service contracts for the federal government must comply with a set of labor standards dictated by statute and regulations. Principal among these is the requirement to pay employees the certain minimum prevailing wages and fringe benefits dictated by DOL wage determinations or collective bargaining agreements. In this webinar, Mr Mattox will discuss the McNamara-O'Hara Service Contract Act (SCA) standards and how contractors must comply.

As a client of ND PTAC, you can attend this webinar at no cost to you. So, if you're interested in this topic, check out the details below and register today.
