## February 2 – Legislative Update: Changes Effecting Government Contracting 9 – 10 a.m. Central Time

*Presenter: Tim Connelly, Law Office of Tim Connelly PLLC*

Government contracting laws and regulations often do not follow commercial contracting rules and are constantly changing. This class will focus on contract interpretation developments, recent fraud enforcement cases, and new court decisions and regulations impacting how small business government contractors bid on and perform contracts with government agencies.

## March 16 – Davis Bacon Requirements & The Service Contract Act (Wage and Hour) Requirements

9 – 10 a.m. Central Time

*Presenter: Corey Walton, U.S. Department of Labor, Wage and Hour Division*

The wage and hour session will offer an overview of the Service Contract Act and federal Davis-Bacon laws and the everyday application of these laws in the workplace. The webinar will cover the issues central to government contract compliance including prevailing wage and fringe benefit requirements, completing certified payrolls, specific record keeping requirements and guidelines for the correct payment of overtime. This session will also include a discussion on the problem areas most common in government contract compliance.
