

On August 11, 2022, Sheri Buchanan (Redstone Government Consulting, Inc.) will be presenting a webinar titled “Understanding the Service Contract Labor Standards.” The Service Contract Labor Standards (SCLS) and the regulations implementing SCLS are some of the most challenging requirements for contractors and for contracting agencies involved in federal contracts for services. If you are competing for the award of a service contract or performing a service contract and administering your responsibilities under the SCLS, this webinar will assist you in understanding your SCA obligations and compliance requirements.

As a client of ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today
