

On August 16, 2022, Matthew Moriarty (Schoonover & Moriarty LLC) will be presenting a webinar titled “How State Certifications Like W/MBE Can Result in Federal Dollar.” Are you a Minority Business Enterprise (MBE) or a Women's Business Enterprise (WBE)? If so, then you may be interested in the new \$1.2 Trillion Infrastructure Act. This act funds state projects and imposes on some a 10% goal for Disadvantaged Business Enterprises (DBEs). Most state Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) program requirements overlap with DBE. In this webinar, government contracts attorney Matthew Moriarty will discuss why these certifications are important and how you can leverage them to take advantage of the Infrastructure Act opportunities.

As a client of ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today
