

# GOVERNMENT CONTRACTING for SMALL BUSINESSES WEBINAR SERIES

SAVE THE DATE

2022

## January 4 – Legislative Update – Changes Effecting Government Contracting

9 – 10 a.m. Central Time

Presenter: *Tim Connelly*

Government contracting laws and regulations often do not follow commercial contracting rules and are constantly changing. In this class government contract lawyer Tim Connelly will review recent court decisions and regulations impacting how small business government contractors bid on, win, and perform contracts with government agencies, including important developments related to mandatory COVID contract clauses, small business compliance issues, and cybersecurity regulations.

## February 1 – SAM.gov – New Look, New Search Tool, New Numbers – Same Old Questions!

9 – 11 a.m. Central Time

Presenter: *Pat Dotter*

Join us to learn about all the changes to the System for Award Management (SAM) database. There are many new elements, some of the same old questions, and some new problems. We'll discuss the changes and conduct a live demonstration to answer your questions. The system is where entities register to do business with the federal government, find exclusion records, search entity registrations, and perform other tasks. That functionality has moved into the new system along with all the functionality from beta.SAM.gov—contract opportunities, assistance listings, wage determinations, and the federal hierarchy.

---

This webinar series is hosted in partnership with the Minnesota, North Dakota and South Dakota Small Business Administration (SBA) and the Procurement Technical Assistance Centers (PTAC).

SBA Co-sponsorship #19-0875-85. SBA's participation is not an endorsement of the views, opinions, products or services of any cosponsor or other person or entity. All SBA programs and services are extended to the public on a nondiscriminatory basis.

## March 1 – Construction Contract Vehicles

9 – 10 a.m. Central Time

*Presenters: Angie – Minot AFB; Graham – Grand Forks AFB; Bernie – Ellsworth AFB*

Learn how the Air Force meets their construction requirements with construction specific contracting vehicles – SABER; MACC and MATOC. Understand what these contracts are, how they are different and how you can be ready when they are open for new contractors.

## March 15 – Davis Bacon Requirements and the Service Contract Act (Wage and Hour) Requirements

9 – 11 a.m. Central Time

*Presenter: Corey Walton, U.S. Department of Labor, Wage & Hour Division*

The wage and hour session will offer an overview of the Service Contract Act and federal Davis-Bacon laws and the everyday application of these laws in the workplace. The webinar will cover the issues central to government contract compliance including prevailing wage and fringe benefit requirements, completing certified payrolls, specific record keeping requirements and guidelines for the correct payment of overtime. This session will also include a discussion on the problem areas most common in government contract compliance.
