### Virtual Procurement Fair

Top 10 reasons to attend the **FREE**, 10<sup>th</sup> Annual Government Procurement Fair:

1. Understand the government market sector
2. Market your products and services
3. Hear from experts on procurement
4. Interact with decision-makers
5. Recognize procurement trends
6. Learn about resources available to you
7. Find out about procurement regulations
8. Meet other businesses
9. Network with government agencies
10. Gain market sector insight

Even in this global economy, business is still conducted between people. Taking the time to make personal connections and market your firm's capabilities still matters!
