

On March 21, 2023, Nicole Pottroff and John Holtz (Koprince McCall Pottroff LLC) will be presenting a webinar titled “Understanding and Obtaining HUBZone Certification (2023 Update).” The SBA revamped its HUBZone rules in the last few years, making several changes to the HUBZone program. However, we continue to see updates to how SBA interprets these rules as it puts out policy guidance frequently. In this webinar, government contract attorneys Nicole Pottroff and John Holtz from Koprince McCall Pottroff LLC discuss these changes and SBA’s related guidance. They also provide an overview of the HUBZone program’s requirements.

As a client of APEX Accelerators (formerly ND PTAC) you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
