

On January 24, 2023, Steven Koprince (Govology Legal Analyst) will be presenting a webinar titled “The Ins and Outs of Federal Small Disadvantaged Business Self-Certification.” The Administration recently announced plans to increase contracting with small disadvantaged businesses (SDBs) by 50% in the coming years. But this increased emphasis on SDB contracting is likely to come with additional enforcement. In this webinar, government contracts legal analyst Steven Koprince explains the SDB eligibility requirements in plain English, including ownership, control, social disadvantage, economic disadvantage, and more. Don’t click the “SDB” box in SAM until you attend this session!

As a client of APEX Accelerators (formerly ND PTAC) you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
