

On December 8th, Robert Jones (Left Brain Professionals) will present a webinar titled "Preparing the Incurred Cost Proposal." Contractors performing work on flexibly priced contracts (T&M and cost-type) must submit an incurred cost proposal (ICP) within 6 months of the close of their fiscal year. This webinar will focus on the requirements for submitting an ICP and the importance of timely reconciliation. We will also review the strategies and best practices for successful preparation and completion of your ICP.

As a client of the ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
