

On January 26, 2021, Stephanie Amend (Arrowhead Solutions) will be presenting a webinar titled, "How the SBIR & STTR Program can Benefit Small Innovative Companies." The Small Business Innovative Research (SBIR) and Small Technology Transfer Innovation Research (STTR) programs can be beneficial in providing early-stage R&D funding to small innovative companies across industries and technology areas. This webinar will provide an overview of the programs, the phases, pitfalls, and best practices for proposals, post-award considerations, and commercialization review.

As a client of the ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
