

On October 27, 2020, Robert Jones, of Left Brain Professionals, will be presenting a webinar titled "Timekeeping and Labor Distribution." Labor is the number one expense of most companies and the largest expense to the government when purchasing supplies and services. This is why timekeeping is so important for an organization. This webinar will cover the components of a timekeeping system, methods for total time accounting as well as the in's and out's of labor distribution, it's effects on financial reporting, and viable timekeeping solutions.

As a client of the ND PTAC, you can attend this webinar at no cost to you. If you are interested in this subject, check out the details below and register today!
